How did you hear about us?			

Fostering is the gateway between neglected or abused pets to their happily ever after lives. When you foster, you agree to take a pet into your home and give them love, care and attention, either for a predetermined period of time or until the pet is adopted. Fosters' care can truly heal and mend broken bodies and spirits both human and canine. There is no fee for fostering. We do appreciate if you'd be willing to provide food at your own cost.

Adopting a pet is a meeting of the heart as well as of the mind. It is a lifetime commitment to an animal that will be your loving companion and your best friend. BBR thanks you for your interest in one of our pets. To assist us in continuing our rescue work, Adopter understands that our adoption fee has increased starting 2020.

$300 for All Dogs and Puppies (Altered)
$350 for Puppies Unaltered (we will reimburse $50 once we receive confirmation)
$250 for Seniors
$150 for Cats

**Please note for outside of Texas adoptions are $375 regardless of age to help us recoup transport costs.

BBR ensures all dogs are vaccinated, spayed/neutered (if old enough), and microchipped. If a dog is Heartworm positive we also cover this treatment (as well as any pre-existing medical expenses prior to adoption). Please note we incur expenses from as low as $150 all the way up to $5000+ depending on the dogs needs so this adoption fee helps us with expenses incurred by saving this pet as well as future pets in need.

Keep in mind, completing an application does not guarantee a dog or cat it simply helps you determine if you are ready to properly care for one and helps Belle's Buds Rescue (BBR) match the best pet to your lifestyle. A phone interview, meet and greet, home visit and contract are still to follow.
